Executive AI Summary

This check details an analysis for a job listing referring to 'Job Posting (Test Input)'. The description contains requirements and details matching 36 content lines.

Detailed Risk Explanation

Our automated scan detected 4 red flags in the job offer description. Crucially, high severity items (such as upfront payment requests or identity document checks) indicate a significant probability of recruitment fraud.

Flagged Security Anomalies & Evidence

Violation Factor	Severity	Deduction Details
Registration Fee Requested	HIGH (-25 pts)	The job description requests a registration, application, or processing fee to apply or secure a spot. Legitimate employers never charge candidates.
Identity Document Requested Upfront	HIGH (-20 pts)	Requests sensitive government identifiers (like Aadhaar, PAN card, or Passport) before any interview or official hiring process.
Bank Details Requested	HIGH (-20 pts)	Requests bank accounts, card numbers, or direct deposit setup details prior to formal background checks or contract execution.
Public Domain Recruiter Email	MEDIUM (-15 pts)	Mentions contact details routing to free, public email addresses (like Gmail or Yahoo) instead of official company email domains.

Actionable Safety Recommendations

- Do not pay any upfront fees for registration, training materials, or laptops.
- Verify the recruiter's identity by searching their profile on LinkedIn or contacting the company's official HR department.
- Never share government identifiers (Aadhaar, PAN card, Passport scans) or banking details before a formal, verified contract is signed.
